All vehicles on grounds must have car pass. Please check guests in upon arrival to save the embarrassment of being asked to leave without a refund for having more guests at your site than were registered. If your guest arrives after the office closes you may check them in and pay for them the following day before 10:00 A.M.

A boat storage fee is applicable when you leave your boat or boat trailer on grounds and you leave ground in the amount of \$1.00 per day per watercraft.

### Reservations

Sites are reserved with a one day rental deposit. This deposit is refundable if reservations are cancelled seven days prior to arrival date, less a 15% handling fee.

When your deposit is made you will receive a confirmation card showing the dates covered by the reservation as well as the campsite and slip number being held for you. It is your responsibility to confirm this information.

We hold our guests responsible for each and every day of their reservation. If you arrive early or leave late you will be charged for these days. Please call, by 10:00 A.M., if you cannot arrive on the first day of your reservation. You will be asked to pay your site and slip rental upon arrival. No refunds.

We have a honey wagon service Monday, Wednesday, and Friday for a fee.

Our county is dry. Beer and liquor cannot be purchased locally. Please plan accordingly.

Lakeside Campground is located directly on Jonathan Creek, right off of Kentucky Lake. This beautiful location allows our campground to offer lakefront daily and monthly sites, as well as a variety of seasonal sites. Our grounds feature a swimming pool, an office that contains a small gift shop, as well as a marina (including a launch ramp and fish cleaning station), a playground, and a game room.
